Tres Fridas

Did you know that the Frida Kahlo exhibit at COD includes an exhibition from one of our very own alumni? The award-winning Tres Fridas Project was created by alumna Mariam Pare along with Reveca Torres. Both artists, who are paralyzed, bonded through art, injury and a deep connection to Frida Kahlo. Alumna Carves Own Career Path as Innovative Magician

You may not think a magician would need a college education, but alumna Jeanette Andrews said that COD played a large role in her success. Taking graphic design classes allowed her to learn how to create her own graphics and philosophy courses played a role in the foundation and research for her magic shows.

Belem Oseguera Duran and Zachary Rahn Named COD's 2021 Outstanding Graduates

Every year College of DuPage selects two outstanding graduates, sponsored by the College of DuPage Foundation. A committee of faculty, staff and administrators makes the final selection based upon a number of criteria including a minimum, cumulative GPA of at least 3.8, shown leadership in college and/or community activities and involvement in academic or cultural enrichment outside the classroom.
