Dena Kareotes Arendt

Dena Kareotes Arendt (Interior Design '03) worked in the computer industry for several years but left the corporate world to start a new career. She enrolled in school and got a job working with a local interior designer to get a first-hand look at how the industry operated. Inside Ideas was founded soon after she completed her degree. In addition to owning her own business, Dena serves on the Advisory Board for the School of Interior Design at the College of DuPage and the Dean's Business Council at the Tabor School of Business at Millikin University. Dena is a member of the American Society of Interior Designers (ASID) where she serves as Peer Leader for the Illinois Chapter.
