

LORI SWANSON, ACP, '18

PARALEGAL STUDIES

Lori graduated from College of DuPage twice, obtaining her Associate in General Studies in 2015 and her Paralegal Certification in 2018. With a passion for giving back, Lori served on the Board of Directors for four years at the Clare Woods Academy, a non-public non-profit day school that provides a specialized educational environment in a therapeutic day school setting. To further aid students with special needs Lori has been a staunch supporter of COD's COACH program. She also provides funding for paralegal students in need at the College.
