

JOSIE SUTER '18

ASSOCIATE IN ENGINEERING SCIENCE

Josie Suter graduated from College of DuPage with her Associate in Engineering Science degree in 2018. At COD, Suter was a member of the Honors Scholar program and president of the Engineering and Technology Club. She also was a finalist for the Outstanding Graduate Award and received the Benjamin P. Hyink Student Leader of the Year Award. She continued her education at the University of Illinois Urbana-Champaign, where she earned a Bachelor of Engineering degree

in 2020. At the University of Illinois, Suter's work designing assistive devices for people with disabilities earned her the MechSE Student Outreach Award. She currently is a robotics engineer at EarthSense, where she is focused on developing sustainable farming automation. She also has established a scholarship at COD for engineering students.
